Circular No.5/2020-21

Dear Parents

Greetings!

COVID - 19 has infiltrated every fabric of our society. We all are trying to cope up the best way we can. Our plans and strategies for next academic year are planned accordingly..Our teams are working round the clock to ensure that a break in the academic year doesn't lead to a break in learning for the child. And technology has come handy to bridge the essential social distancing that all of us are practising. To start with, you might have received a very insightful article on helping parents engage in their child's learning in these trying times.

Shortly, you will also receive worksheets for children to engage them during the day.

Do stay safe

Do stay inspire
